Approve the reduction of funds to the NOVA Job Training Consortium by \$467,832, with the amendment that the 10 positions cut ended as of January 2004. However, because of the city's leave donation program, the end date for the 10 positions extended to Feb. 13. The city of Sunnyvale manages services for NOVA, a seven-city group that normally receives funding from the state of California. No state funding will be received this year.
